This institute is very good. And I got a lot of knowledge from here. By studying in this institute, I not only learned the course of cyber security, but also got to learn many other things. Surya sir teaches very well and also helps in everything. Over all this institute is best way for gaining too much knowledge.

ANMOL GARG

amazing atmosphere
understanding mentors
worth for everything

fahad khan

2022-08-23

Hacking club is one of the best place to learn ethical hacking and other courses who wants to make their future best and I loved way of teaching of surya sir.

Vivek Yadav (Anshu)

2023-07-24

Hacking club is one of the gr learn. You can visit this insti acquire a knowledge of best study culture and way of tea amazing. I loved the way of t surya sir.

DIVYANSHU TIWARI

2023-07-24

It is a very good institute which not only offers cyber security courses but also takes care of the overall development of the human being.

Avinash Patwal

2023-07-24

study culture and way of teaching is amazing I like the way of teaching of surya sir. He explains very difficult topics in very easy words. If you also want to become a ethical hacker then this organization will be very beneficial for you.

Rajesh Kumar

2023-07-24

Overall a very informative study session. Course content got well covered and also demonstrated the concept very well. Thanks for such an informative and concept-clearing study session. Good knowledge on ethical hacking. Thank you sir
